5 NEW FINISHES

for the AIO 3

TRIANGLE is breathing new life into its AIO 3 connected speaker with a range of brand new finishes: Camel, Black, Sage Green, Blue and Greige, adding to the existing range of Forest Green and Ochre Red finishes. This new colour palette allows it to blend in with all interior styles, from the most minimalist to the most daring.

These shades highlight its design and reinforce its status as both an aesthetic and musical object.

EXCEPTIONAL FABRICS

by **Gabriel®**

The result of a partnership with Gabriel, a specialist in high-end fabrics, every finish on the AIO 3 has been designed to combine aesthetics and durability.

The refined textures and carefully selected colours offer a sophisticated visual and tactile finish, adding character and personality to the speaker while enhancing its decorative appeal.

A BLEND OF TECHNOLOGY

And simplicity

Behind its ever-elegant design, the AIO 3 retains the features that made it so successful: high-resolution Wi-Fi and Bluetooth, multi-room compatibility, access to major streaming services and a variety of wired inputs. Whether you want to add sound to your living room, bedroom or office, it is easy to install and offers immediate listening pleasure, with high-fidelity sound faithful to the TRIANGLE sound signature.

WHEN SOUND BECOMES A DECORATIVE OBJECT

With these seven new finishes, TRIANGLE confirms its commitment to offering speakers that are easy to integrate while maintaining high-level acoustic performance.

Thanks to the textile expertise of Gabriel, the AIO 3 stands out as a true decorative sound object, where design and materials play a key role in the listening experience.
