The AIO 3 is an all-in-one, ultra-connected speaker designed in the finest audiophile tradition. Its sleek design and wide range of finishes allow for elegant integration with any interior style.

Stream all your music in high resolution from your phone, tablet, or computer via Bluetooth and Wi-Fi connectivity. The "TRIANGLE AIO" app lets you create a multiroom network of up to 12 devices, so you can enjoy your music throughout your home.

On the back, a wide selection of inputs such as optical, RCA 3.5mm, and USB-A allows you to connect all kinds of audio and video devices.

While highly connected, the AIO 3 remains above all a true Hi-Fi speaker. It delivers a detailed and immersive stereo sound, thanks to its high-density wooden cabinet and 2-way design inspired by high-end stereo speakers.

Faithfully reproducing both left and right channels, the AIO 3 features two 25 mm fabric dome tweeters and two 10 cm mid-woofer drivers, effortlessly filling small to medium-sized rooms of up to 20 m² with rich, balanced sound.
